Jennifer & Troy:

I just wanted to write this letter as a thank you for your recent support of our fundraising event for The Daily Bread of Lenawee. Being a small non-profit organization, we are always looking at ways to raise additional funds for our operating costs, especially as we are preparing to expand our services and move into a larger location. We have limited resources, so we are not always able to organize a large event, or put on fundraisers that require an up-front investment.

I was introduced to Julie Miller, your fundraising coordinator, through a mutual friend. When she first approached me about partnering with iBean Coffee for a fundraiser and explained the program to me, I'll have to admit I thought it was too good to be true: A fundraiser that could yield a good profit with no up-front costs. But it was true. Not only was our organization able to earn additional funds for our expansion project with very little effort, but I was pleasantly surprised by the level of support that I received from iBean during the course of our fundraiser. Not only did Julie stay in constant contact with me to let me know the status of our order, but she was there shortly after our order arrived to inspect and sort it, and make sure our order was complete. Additionally I was pleased with the support and encouragement we received not only from both of you, but also with advertisement of our event on iBean's website and Facebook page. We had several orders that were made off of those communications!

Overall, we are very satisfied with this fundraiser, and look forward to continuing with the iCARE Online Residual Sales Program, as well as doing another full fundraiser in the fall. Several people who purchased coffee, including myself, have fallen in love with iBean Coffee! It is great that our supporters will still be able to purchase coffee from you, with proceeds continuing to be given to The Daily Bread of Lenawee. Thank you for all that you do!

Sincerely,

April E. Lienau
