

5 May 2010

Troy,

Hey, I wanted to drop you a quick note to say thanks for all you have done for the boys of Troop 640 who participated in the iBean Coffee fund raiser. We have been able to raise about \$400 so far. This money will go a long way in helping boys attend summer camp, offset the cost of going to the Centennial Jamboree in VA this summer, and in some cases will help our boys continue to participate in Scouting activities that will keep them actively engaged in Boy Scouts.

I know that we are planning on continuing with the program, and I am sure as the word gets out what great coffee you guys have – sales will really soar!

Thanks again for your willingness to work with us. The boys appreciate it, and I do too!

Best Regards,

eric mcphée
